

Dear Guests,

After a temporary spring closure due to COVID-19, The Landing Resort re-opened on May 26, 2020. As always, we strive to provide quality accommodations and superior guest service. Our hope and expectation is to do our part to make the lodging experience as safe as possible for everyone. To do this in the safest manner while keeping the health of our guests and employees the number one priority, we have outlined these guidelines and expectations to ensure a safe and healthy experience.

Employees and Guest Guidelines and Information:

Health Concern: PPE & Social Distancing:

- Employees and guests not feeling well are asked to stay home and follow CDC guidelines.

- Plexiglass barriers have been placed between guests and staff where possible.
- In general, rather than wear gloves, we will wash our hands frequently and have hand sanitizer available.
- Employees and guests are encouraged to keep a 6-foot distance from others while moving throughout the property or standing in line.
- We will educate our employees on reducing the spread of infection and continue to participate in regular informational meetings regarding the latest guidelines and information regarding COVID-19.
